Rheumatism,
Oh the Pain!

The aches and pains of Rheumatism become a constant companion to all who are victims of this disabling disease. Much suffering could be avoided if the first warning pains of Rheumatism were heeded and the proper treatment at once taken. But the people generally are not acquainted with the cause of the disease, though thousands know its tortures. Those who use liniments and ointments cannot understand why they grow worse each winter, and find themselves gradually becoming unable to get around as they once could; yet they know that their trouble came on at first as little aches and pains, which hardly attracted their attention.

Everybody should know more about rheumatism; they should know that it is a peculiar condition of the blood upon which all the liniments in the world can have no effect whatever. The best blood remedy is needed—one which is able to go to the very seat of the disease, and force it out. Swift's Specific (S.S.S.) is the right remedy for Rheumatism, because it is the only blood remedy free from mercury, potash and other minerals which intensify the disease, causing stiffness of the joints and aching of the bones.

Swift's Specific being a real blood remedy never fails to cure Rheumatism. It reaches even the worst cases where the doctors have made cripples with their prescriptions of potash and mercury.

Mr. D. R. Johnson, an extensive lumber dealer of Blackshear, Ga., writes: "My wife was for years a sufferer from Rheumatism, and was treated constantly, but could obtain no relief. The pain was first felt in her left shoulder, and extended in all directions, increasing in severity. The doctors said the disease was liable to strike the heart at any time, in which event death would be inevitable."

"Every kind of treatment recommended for Rheumatism was given her, including many blood remedies, but none did her any good. She was growing worse all the while, and was reduced to a mere shadow of her former self. "It was at this critical period that Swift's Specific was given her; the medicine seemed to reach the disease promptly, and she at once began to improve. One dozen bottles effected a complete cure, and she has had no touch of the disease since."

Every one afflicted with Rheumatism should take a remedy which can reach their trouble. S.S.S. will cure the most aggravated case of Rheumatism, Catarrh, Cancer, Contagious Blood Poison, Scrofula, Eczema, or any other blood disease. It is guaranteed

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours: a sediment or settling indicates an unhealthy condition of the kidneys. When urine contains frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you are a medicine user you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention The Paris Ky. News and send your address to Dr. Kilmer & Co., Hingham, N. Y. The proprietors of this paper guarantee the genuineness of this offer.
